## Project 365: A Year of Climbing and Sharing

July 4, 2007 to July 3, 2008

**HELP NATIVE AMERICANS !!!** On July 4, 2007, Frank Sanders will commit himself to 365 days of Devils Tower Climbing, in an attempt to determine how many days, partners, routes and summits can be achieved in a year. To share the Joy of climbing and to generate Benefits for others, Devils Tower Lodge has established a "not-for-profit" organization; Devils Tower, Sacred To Many People, Inc. This Fund will **HELP NATIVE AMERICANS** by supporting Health Clinics and Social Programs on Reservations. This effort will be entirely funded by Your Donations and a portion of Frank's guiding revenues. You can touch many Lives with Your donations. Help us **HELP NATIVE AMERICANS !!!**
